## **HURRICANE MATTHEW RELIEF – FREE LIGHT FIXTURES**

Savannah, GA – October 20, 2016 – In order to support Hurricane Matthew relief and re-building efforts for those in need, Pace Lighting has partnered with Capital Lighting Fixture Company located in Flowery Branch, Georgia to offer nearly 300 free exterior light fixtures to residents of the Low Country effected by the hurricane. The light fixtures are available now from Pace Lighting’s showroom on Chatham Parkway in Savannah.

Pace Lighting CEO Lisa Dixon commented, “A well-lit exterior is crucial for home security and safety and since so many homes in our area experienced significant storm damage, we wanted to find a way to provide those in need the ability to get much needed illumination back to the outside of their homes. Our deepest thanks go to John and Mary Lou Lewis and the rest of the Capital Lighting team for their extremely generous donation of light fixtures in order to support hurricane re-building efforts in our area.”

To obtain your free light fixtures, visit Pace Lighting at 7 Southern Oaks Ct off of Chatham Parkway during their regular hours of operation Monday through Friday 8:30am to 6:00pm and Saturday 10:00am to 4:00pm.
